

Piastra professionale media - EXCLUSIVE KIT
 Professional medium straightener - EXCLUSIVE KIT
 Plancha profesional media - EXCLUSIVE KIT

Art. 1675C

COLLEXIA
 PROFESSIONAL

ITALIAN EXCELLENCE IN INNOVATION

SCHEDA TECNICA Art. 1675C - Nanosilver Titanium Technology	
Piastra professionale media	Double Floating plates
50 W (MAX 380) 220-240V ~ 50/60 Hz	Raggiungimento rapido della temperatura
Dimensioni piastre: 25x90mm	Regolazione della temperatura 180 - 200 - 220°C
Disegn per lisciare e arricciare i capelli	3 m di cavo professionale girevole
Titanium anodised	Astuccio e tappetino termoresistente 4 mollette e DVD
Scocche trattate con Nanosilver	Garanzia 9 mesi

TECHNICAL INFORMATION Art. 1675C - Nanosilver Titanium Technology	
Professional medium straightener	Double Floating plates
50 W (MAX 380) 220-240V ~ 50/60 Hz	Temperature rapidly reached
Dimensions of straightener plates: 25x90mm	Temperature adjustment 180/200/220°C
Design to straighten and curl hair	3 m professional swivel cable
Anodised titanium	Heat-resistant case and mat, 4 clips, DVD
Covers treated with Nanosilver	9 month guarantee

FICHA TÉCNICA Art. 1675C - Nanosilver Titanium Technology	
Plancha profesional media	Double Floating plates
50 W (MAX 380) 220-240V ~ 50/60 Hz	Alcance rápido de la temperatura
Dimensiones placas: 25x90mm	Regulación de la temperatura 180 - 200 - 220°C
Diseño para alisar y rizar el cabello	3 m de cable profesional orientable
Titanium anodised	Estuche y alfombrilla termorresistente, 4 horquillas, DVD
Revestimientos tratados con Nanosilver	Garantía 9 meses
